

# Floor Covering

Full service flooring, knowledgeable tradesman and experience

**Carpeting, Vinyl, Linoleum, Rubber, Ceramic, Bordering & Inlay**

As a company, we have become specialists in a number of areas by virtue of extensive training and work experience. Flooring is one of these areas. We fully prepare your existing floor to insure the best results for your new floor covering. This service includes leveling, hard boarding or latex screeding. We are qualified to advise you on the best methods to deal with *any* flooring concerns.

We can offer intelligent, affordable solutions to give tired old buildings a fresh look. From subtle changes to dramatic makeovers, we take the time to plan each project in order to develop a solution that meets your needs. Our advanced estimating tools allow us to give you a complete service and price schedule that is highly accurate so you aren't subject to unexpected extra charges.

Reliable Service - Consistent Pricing - Trained Technicians 866-498-7391

## Overview

### Carpeting

- Plush, Textured, Sculptured, Patterned, Berber, Saxony, and Wool; our technicians have experience with all types of carpeting using the latest methods including stretch, power stretch, glue down, and double stick glue down.
- Manufacturer direct purchasing allows us to sell wholesale to you. Comparing service for service, we are your low price provider.
- We are experts in stairs, custom bordering, inlays, double stick, custom upholstering, and other specialty installations.
- We routinely do jobs as diverse as apartment turnovers to multi-story high-rise hallways. Hospitals, hotels, office suites, we can do them all.
- We always remove and haul-away our trash.
- Furniture and equipment moving services are also offered. Let us turn-key your job.

### Sheet Vinyl & Linoleum

- All specialty installations. Heat weld and chemically welded seams; Interflex perimeter, and full-spread gluing; Sanitary coving.
- We will remove and replace toilets, and sinks; install FRP panel in bathrooms; move appliances as needed. Install new sub-flooring if required.

### Ceramic, Rubber, Diamond Plate and Rubber Tile

- Walls and floors, mosaics to pavers, for warehouses, grocery stores or malls we do it all.

### Hardwood Floors

- Plank, Parquet, hardwood, softwood, cork, laminate, sand and finish.

Services performed by ABR's trained & experienced technicians (not sub-contractors).
